Whether you are looking to advertise a caravan, camping site, campervan, hotel, bed and breakfast or anything else that you have decided to hire to your customer's for their next adventure or family break, hiremeout.uk is the platform that allows you to achieve your goal.

Well, the most obvious and simple answers;

you can copy the links directly to your properties and advertise these

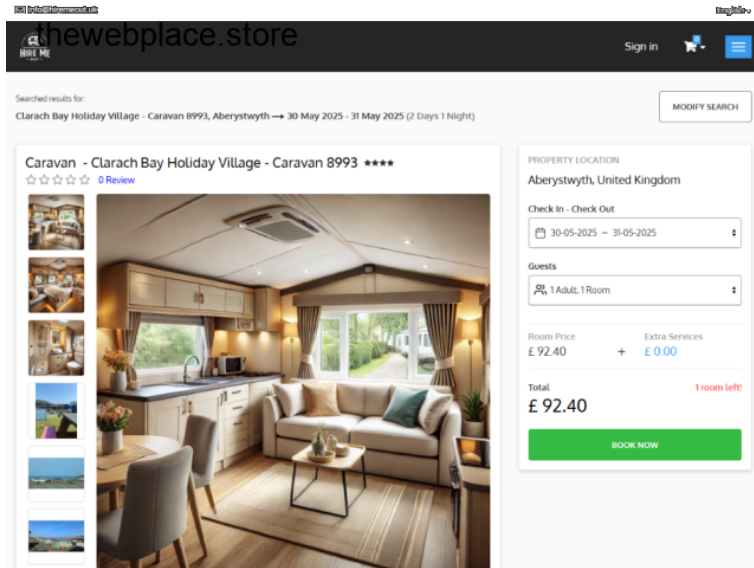

you can accept online payments (processed by Stripe.com)

customer's are in control of their bookings as they can manage the booking via their account

you as the seller can tweak everything to do with your property, even refund policies

It is FREE to create your account

unlike other platforms, we charge ONLY 5% commission per booking. Unlike other platforms, this varies depending on amount of guests and type of property, ranging from 10-25% which
